LB 369, 582, 991-1000

eminent domain of the land so long as we compensate for it fairly, and that is a painful reality. Sometimes it has a history of being misused, there is no doubt about that, but it is an essential principle of the way we do business and this one is meant to limit and to use that more skillfully and more narrowly than in the big meat cleaver approach. I support the bill and we should continue to talk about it.

SPEAKER BARRETT: Thank you. The question is...Senator Chambers. The question is the advancement of LB 369 to E & R Review. Those in favor of that motion vote aye, opposed nay. Have you all voted on the advancement of the bill? Record, Mr. Clerk.

CLERK: 31 ayes, 1 nay, Mr. President, on the motion to advance the bill.

SPEAKER BARRETT: LB 369 is advanced. Anything to read into the record?

CLERK: Mr. President, new bills. (Read LBs 991-1000 by title for the first time as found on pages 203-06 of the Legislative Journal.)

The last item, Mr. President, Senator Chizek has amendments to be printed to LB 582. (See pages 206-09 of the Legislative Journal.) And that is all that I have.

SPEAKER BARRETT: Thank you, sir. Senator Abboud, for what purpose do you rise?

SENATOR ABOUD: Mr. President, I move we adjourn until January 8 at 9:00 a.m.

SPEAKER BARRETT: Thank you. You've heard the motion to adjourn until tomorrow morning at nine o'clock. Those in favor of that motion say aye. Opposed no. We are adjourned.
